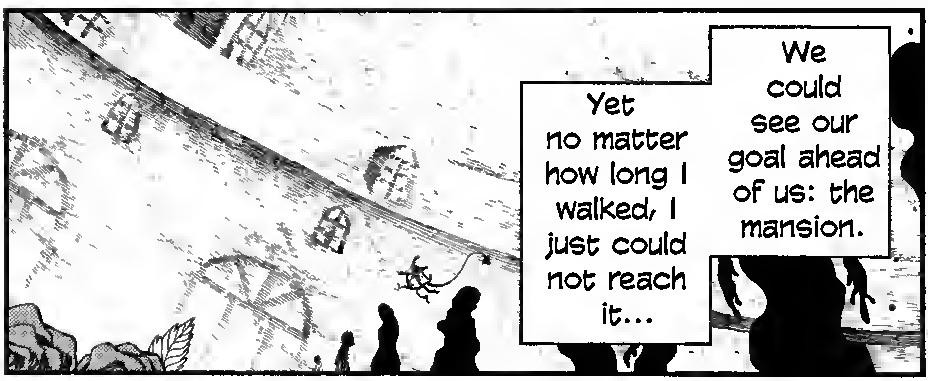
"The doors have opened!"
"The doors have opened!"
"The doors have opened!"

All of the roses screamed.
As we passed through the doors,

But now... I just can't remember anymore...
It feels as though someone once told me that.
"You mustn't pass through those doors."

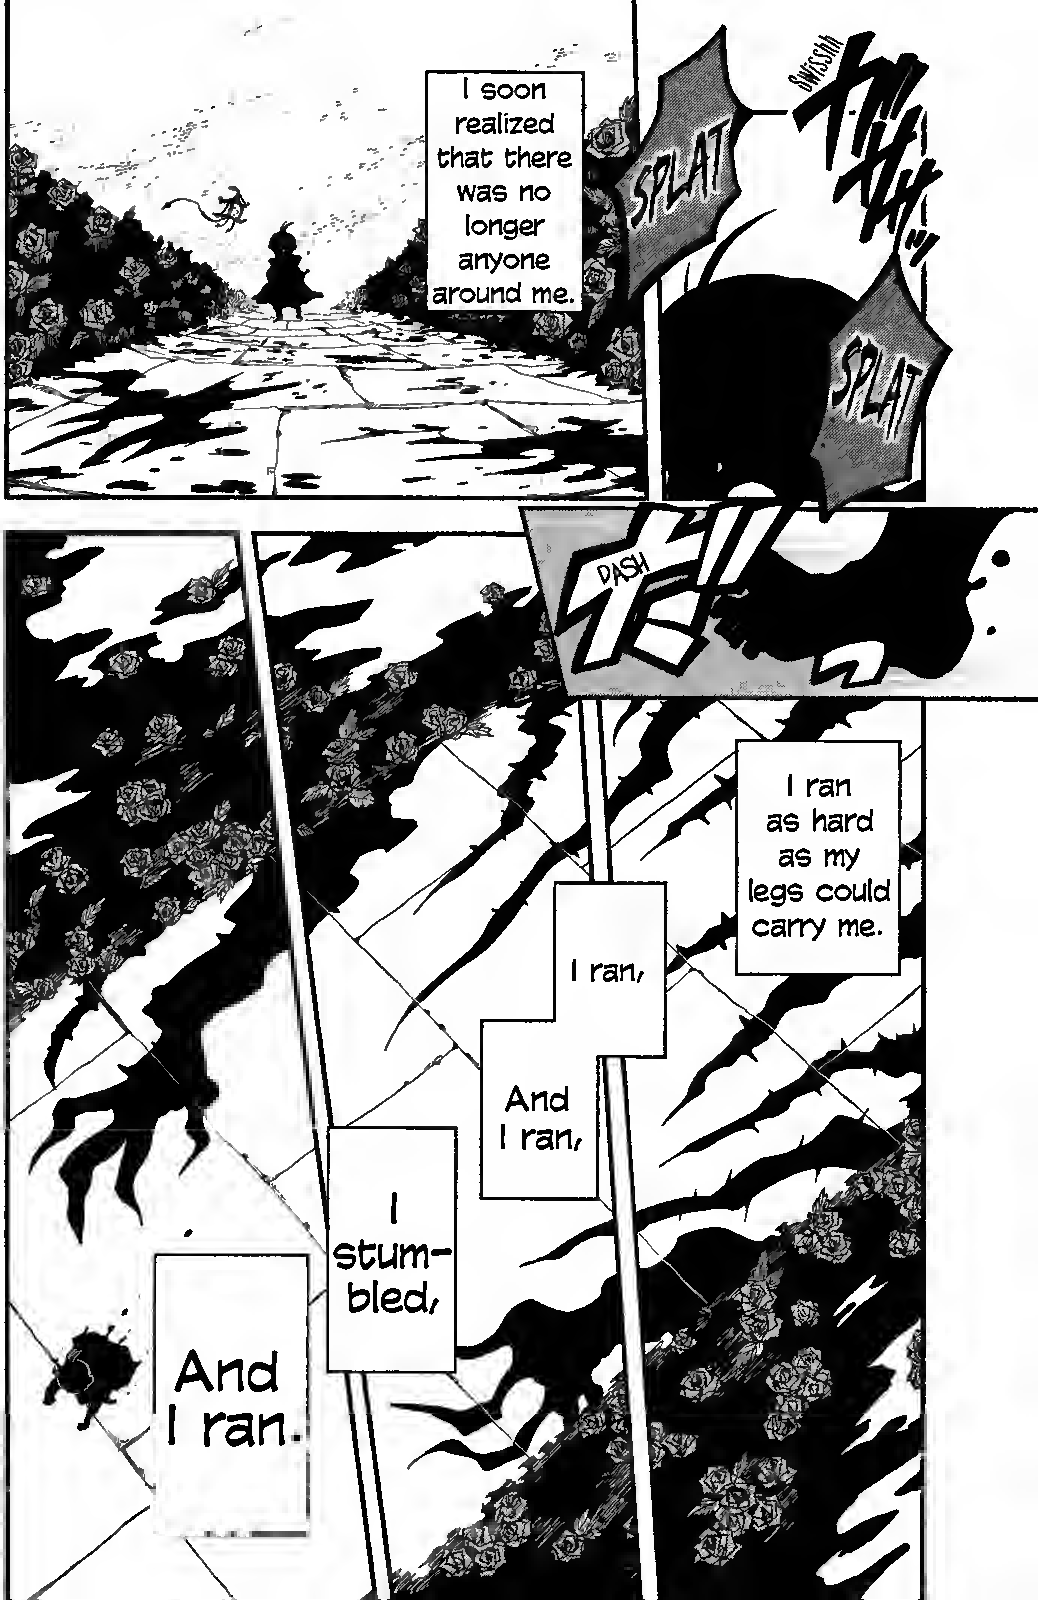
It's so cold...



Yet no matter how long I walked, I just could not reach it...
We could see our goal ahead of us: the mansion.

That was my sole thought.
"Just how far away is it?"

SWISSHH
SPLAT
Someone left the group for the garden...
...Someone who had been holding my hand.
I cannot remember who it was,
But...
...It felt as though I had just lost something precious.



I soon realized that there was no longer anyone around me.
SWISSHH

DASH
I ran as hard as my legs could carry me.
I ran,
And I ran,
I stum-bled,
And I ran.

I just ran.
